Deborah H. Jeter, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have always been compassionate about helping people and animals. Both have been my life! Had it not been for some life changing events on my end, to be honest I probably would probably still be in my own little world. Now I have time to focus on real issues, helping you. I quickly understood that in my experiences, I have the ability to help so many more people beyond the animal world! People are suffering every day. Knowledge gives you strength. Power to fight the demons inside of you. May my words give you wisdom, strength and courage. To empower you to understand what makes us the kind of person we are today! If this book helps just one person, then it is well worth my time in writing it. May it give you a better understanding and knowledge you did not have before. You do have a purpose! May you live well and prosper! You truly are AMAZING!.
