Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, The Daughterhood: The Good, the Bad and the Guilty of Mother-Daughter Relationships, Natasha Fennell, Roisin Ingle, When Natasha Fennell's mother was diagnosed with a progressive illness, she wasn't ready to do deal with the inevitability of what this would bring. Sitting outside the hospital after visiting one day, Natasha wondered how she would cope when her mother was gone. There started a panic and self-scrutiny. Had she been a good enough daughter? Would she have enough time to do all the things she wanted to do with her mother before she died? Natasha knew that she couldn't be the only one feeling this way. She began her research and quickly learned that other daughters had similar fears and had never spoken about them before. Love for their mothers, regret for opportunities missed, resentments and emotional complexities all bubbled to the surface. Through these conversations, a friendship blossomed with Roisin Ingle, popular columnist at the Irish Times. After a call out in Roisin's column, hundreds of responses poured in and there The Daughterhood was formed. The Daughterhood is the funny, poignant, and occasionally heart-breaking story of eight daughters coming together to talk about their mothers and the joy and despair that this relationship brings. Over a period of months they commit to completing various tasks all in the hope of improving their relationship with the most important woman in their lives - before she dies.
