Catholic Truth Society, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. ?Spirituality? is a buzzword in our time, yet there is still much confusion about what it means. Arranged alphabetically by spiritual themes, Gerard Bogan opens the spiritual life to a world that is in danger of losing its sense of the divine or the spirit within; a world that has become uncertain about God but seeks God nonetheless ? as evidenced by our unconscious daily thoughts and actions. Whether you are a Catholic, or of another faith, or whether you consider yourself to be ?spiritual but not religious?, this practical resource is a rich source for reflection. The suggestion given at the end of each section will help each reader to explore their own spirituality: to find it, experience it, help it to grow, and above all to live it.
