Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book of poems is full of Gifts. Epiphanies. Fireworks. Mundane existence. Togetherness through the shadows and mysteries of mortality, medicine, healing, and wisdom. And Courage. So much courage. And beauty. And grace. Reading Ric s poetry is the chance to see through the eyes of a man facing the largest mysteries of life, without a six-gun or light saber, but with a pen (or cellphone with text apps, as it were). With a companion. With courage and humor. And with the joy that can be found in any moment, if you open your eyes, no matter what.
