BEETHOVEN: THE MAN AND THE ARTIST, AS REVEALED IN HIS OWN WORDS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Beethoven: The Man and the Artist, as Revealed in His Own Words This little book came into existence as if it were by chance. The author had devoted himself for a long time to the study of Beethoven and carefully scrutinized all manner of books, publications, manuscripts, etc., in order to derive the greatest possible information about the hero. He can say confidently that he conned every existing publication of value. His notes made during his readings grew voluminous, and also his amazement at the wealth of Beethoven s observations comparatively unknown to his admirers because hidden away, like concealed violets, in books which have been long out of print and for whose reproduction there is no urgent call. These observations are of the utmost importance for the understanding of Beethoven in whom man and artist are inseparably united. Within the pages of this little book are included all of them which seemed to possess value, either as expressions of universal truths or as evidence of the character of Beethoven or his compositions. Beethoven is brought more directly before our knowledge by these his own words than by the diffuse books which have been written about him.
