Ewan desperately needs the respectability a titled bride can bring him. But when his kidnapped betrothed is delivered - bound and gagged - he discovers it s the wrong woman. And not just any woman - it s Violet, the person he blames for ruining his childhood. He keeps her, determined to punish her in every sinful way he can devise, until the seething passion between them strips away old grudges and leaves him reeling. All he can do is follow her - and win her back by partaking in the glittering London Season, where the harpies are far more dangerous than a Scottish brigand.
