

Friends to the End: The True Value of Friendship (Revised edition)

By Bradley Trevor Greive

Andrews McMeel Publishing. Hardback. Book Condition: new. BRAND NEW, Friends to the End: The True Value of Friendship (Revised edition), Bradley Trevor Greive, Friends and life. Life and friends. The two are so tightly interwoven it's impossible to imagine one being remotely worthwhile without the other. As Bradley Trevor Greive points out, "There are very few truly solitary creatures on this planet. And most of them have serious personal hygiene issues." Using his trademark witty narrative illustrated with irresistible animal photos to explore the daily magic we experience through our friends, BTG examines themes such as why we can't live without friends, how great friendships grow from humble beginnings, what to do when good friends turn bad, and why it's all so worthwhile-in short, Friends to the End is an ode to friendship that is both, at the same time, innately true and celebratory of our best friendships. The original black and white animal photos have been hand-coloured for the new edition, creating a fresh, more lavish look that will appeal to a new generation of gift givers.
