Holy Cow Press, 2018. Paperback. Condition: New. Language: English . Brand New Book. Palominos Near Tuba City is a selection of new and previously published poems from a long and distinguished career. These forty poems take us on a rich and fascinating journey, transporting us through history on memory s voices, singing a new vision of the familiar. Though her subjects vary from a visit to the mission at White Earth to parking a car, Sweet brings freshness to each. The poems leave markers where they have touched us, places we will return to to remember the startling beauty of a phrase, the quiet wisdom of a story, the good humor of our poet companion. She carries us to the brink of discovery; her words push us over.
