Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Strength in our Story is an 8-week Bible study of the story of Joseph, designed to help you discover healing and hope in life's darkest moments. Everyone can relate to some aspect of Joseph's story, making studying his story a very relevant experience for us all. Now, more than ever, we need authentic answers and genuine hope. Through the use of these materials, individuals are able to gain context for life experiences and events, find healing, and build God-focused communities. As a result of the fallen nature of this world, all of us have experienced wounding repeatedly through ongoing neglect, betrayal, and injustice, which are like waves crashing against the shore, eroding the soul, redefining the individual's true identity, and trapping the individual in a prison of lies. Many of us have experienced specific traumatic events in our lives, and everyone has experienced loss. Using the story of Joseph as the base story for this study, we will look at the personal experience of trauma and loss over time, and the wounding of the heart and soul that results. In healing the soul, restoring the true identity, and removing the lie beliefs through reinterpretation of painful circumstances, the strength in our story may be seen.
