Excerpt: . viii hospital economics course, teachers college. viii hospital economics course, teachers college. the Constitution of this Association as originally adopted, recognizes four classes of members, viz: Active, associate, honorary and corresponding members. In the records of the Annual Meeting of 1896 will be found a report by a special committee on Eligibility for Membership, the discussion that followed, and the action of the meeting upon that report. Last year another committee was appointed to formulate the necessary changes with a view to a still further amendment. I think it is in the mind of this Association that we shall have some standard and we are now trying to make a standard. But the question that has lately forced itself upon me is, Are we working towards the true standard, when we regard as a passport for membership in our Association the position held,...
