**FEDERAL GOVERNMENT IN CANADA (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Federal Government in Canada Canada and the passage of another Act providing for a very important constitutional change. The proclamation Of the Act Of 1841 1 was the inauguration Of the Fourth Period Of our political development which lasted until 1867. The discontent that existed in Canada for SO many years had the effect, not Of diminishing but Of en larging the political privileges Of the Canadian people. The Imperial government proved by this measure that they were desirous Of meeting the wishes Of the people for a larger grant Of self-government. The French Canadians, however looked upon the Act with much disfavor and suspicion. The report Of Lord Durham and the union itself indicated that there was a feeling in England that the separation Of the two races in 17 91 had been a political mistake, Since it prevented anything like a national amalgamation; and it was now proposed to make an effort in the Opposite direction and diminish the importance Of the French Canadian section with its distinct language and institutions. The fact that the French language was no longer placed on the same footing as English, in Oth cial documents and parliamentary proceedings, together with the fact that Upper Canada had the same representation as Lower Canada in the assembly, despite the larger population Of the latter section, was considered an insult and an injustice to the French Canadians, against which they did not fail to remon strate for years.
