

Going Off the Grid: The How To Book Of Simple Living And Happiness (Paperback)

By Gary Collins

Book Publishing Company, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Discover how to get off the consumer treadmill and enjoy a simpler lifestyle. Gary Collins documents his firsthand experience in this comprehensive guide on how to find property and build a self-sustaining home to achieve happiness through simplicity. Included are tips for how to deal with general contractors and a review of common types of off-the-grid home construction (standard, straw bale, logs, and green cinder block) that highlights energy efficiency and insulation. All the basics are thoroughly covered, such as well water, septic and sewage disposal, and off-the-grid energy options (solar, wind, hydro, and geothermal). Factored in are contemporary concerns, including access to internet and cell phone service and the importance of an effective security system. Chapter summaries drive home key points for success, and a list of resources directs readers to key information.
