Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Avalonia. Paperback. Condition: New. 362 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. From Greek Chronos and Hindu MahaKala to the feminine mysteries of Fate - from the Moirae to the Hoerae - this mythic HirStory (a union of history and herstory) explores the far reaches of time and its warp in the Web of Wyrld. Whereas Hawkings Brief History of Time is a scientific apprehension of the subject, this tome follows Times spiralling course through art, verse and magic, bringing us to the eternal present then offering ways to carry the ideas presented into the future through personal application : - practical ritual frameworks for using web mandalas to map time onto a spatial plane and explore different potentialities of our mutable destiny. Included is the Arachnean Grimoire The Book of the Spider and commentary. The Author: Orryelle Defenestrate-Bascul is a ChaOrder Magickian and Baphometric avatar somewhat obsessed with physical reification and Manifestation. While she does enjoy shamanic and astral journeys via occasional extreme entheogens and other deep trance work, she is not content to just travel to other dimensions, rather intent upon bringing back aspects thereof to the physical plane. She is thus constantly reburishing hir Temple, that is the physical form seen as a malleable tool: Physical mutations as magical acts (chakra piercing and weaving, Tattoo Tarot Tantra), Visual Art (drawing, painting, photography, video, sculpture), Esoterica, Ritual Music (violin, voice) and Performancy, Dance; and InstallationEnvironment Sculpting. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
