INSTITUTIONAL MICROECONOMICS OF DEVELOPMENT (HARDBACK)

MIT Press Ltd, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Leading scholars examine political, legal, social, and market institutions through a microeconomic lens. The narrative of development economics is now infused with discussions of institutions. Economists debate whether institutions--or other factors altogether (geography, culture, or religion)--are central to development. In this volume, leading scholars in development economics view institutions from a microeconomic perspective, offering both theoretical overviews and empirical analyses spanning three continents. After substantial...
