Georgetown University Press, United States, 2007. Paperback. Condition: New. Segunda edicion. Language: Spanish . Brand New Book. Integrating grammar and composition, this comprehensive new edition guides the advanced student through progressively more complex types of writing by organizing the grammar lessons on a functionalist basis around the needs of composition. It contains exercises on grammar practice, working with sentences and paragraphs, guided essays, and free composition. These practices are available for free online at our associated website. It includes images from William Bull s Visual Grammar of Spanish help with distinctions that seem difficult. It contains an Instructor s Manual - available for free online - reviews teaching and...
