Strategic Book Publishing Rights Agency, LLC, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Coming from humble origins, the protagonist in these memoirs was completely innocent of the fact that like all human endeavors, physics is often strongly influenced by politics. In reading the biographies of famous physicists like Einstein, one often ends up with the feeling that physicists are above petty politics. However, even great physicists get caught up in the politics that often exists in their own laboratories. An interesting memoir with a scientific edge.
