Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 272 x 213 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s amazing how something as simple as eBay can be so difficult to figure out. I knew if millions were selling and buying on eBay the process had to be fairly easy. I knew the test would be false if I marketed art on eBay under Jack White. I m too well known to make it fair. So I invented Cody Brown, a Texas cowboy artist. It took six months of dedication and hard work to figure out the process. The first full year Cody grossed \$30,000, \$40,000 the second and \$45,000 his final year on eBay. In Mystique of Marketing Art on eBay I will hold your hand and share the secrets of success. Some are so simple you will slap your head for not seeing the way. Other tricky ones took a while to discover. After reading this book you will know all that is needed to earn a living making and marketing art on eBay. Follow the guidelines and it s a WIN WIN for you.
