Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Russian Essays and Stories My Dear Evan, - This book, which you expressed a wish I should dedicate to you, consists of short essays and stories dealing entirely with Russian subjects. These essays (which deal with Russia) are in no sense political. I will not go so far as to say they are uninteresting; such modesty is, as Bacon once pointed out, a gross form of boasting; besides which it is a mistake. If one underrates one's wares one is taken at one's word. I have found this out to my cost. Once when I was competing in a Civil Service Examination, and appeared as a candidate in the German viva voce, the German examiner asked me if I could speak German. Yes, a little, I answered modestly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
