It is an fictional devotional story illustrating Psalm 139. The setting is the rich Cariboo country of British Columbia, where wild horses still roam. A missionary/doctor must find a suitable wild horse to partner with him. There is a cattle round-up adventure, a horse chase and a big test of the heart. Children will be drawn into this real life adventure of taming a wild horse. This devotional is unique in that it takes the natural horsemanship principles of training horses and applies them to our relationship with God and his leadership, love and language in our lives. Children love horses and they will be most open and inspired by the message of God s sovereignty and love in their lives when they see the marvelous relationship the horse and rider have at the end of the chase.
