Rodale Books, United States, 2015. Hardback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book. Author Tommy Rosa infused healing energy into the covers of this book. Let it flow through you on your journey to revitalized health, a newfound sense of purpose, and spiritual balance. In 1999, Bronx-born plumber Tommy Rosa died after being the victim of a hit-and-run incident. Lying by the road, he felt a tug whisking him off into a tunnel of light. He found himself in a blessed place. He was shown that God created the Earth to nourish and heal mankind and that our sense of separation from each other and the divine is of our own making. He met his Divine Teacher and received a series of profound lessons Eight Revelations about the nature of Heaven and Earth. Tommy returned to Earth with a heightened sense of connection to one and all. But the bliss of Heaven was quickly replaced by a long and painful recovery, and Tommy struggled to make sense of all that he had learned. Around the same time, Dr. Stephen Sinatra, an integrative cardiologist, was revolutionizing his medical practice with a holistic approach to treatment. When a chance meeting brought the two men together, they gradually came to realize that the revelations of healing Tommy gleaned from his near-death experience aligned with the groundbreaking results Dr. Sinatra was seeing in his own practice and scientific research. Health Revelations from Heaven and Earth connects divine wisdom with the science of how we can live as God intended. Fully corroborated by Dr. Sinatra's four decades of medical expertise, these divine lessons bring Heaven and Earth a little bit closer.
