

Landscapes in Oils

By David Crane

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Landscapes in Oils, David Crane, From capturing light and reflections in water, to building up the vibrant colours of a Mediterranean landscape or the delicate mood of morning mist, this book shows how to create landscape paintings in oils that are filled with compelling atmosphere and interest. David Crane offers easy instruction, inspiration and step-by-step demonstrations covering all the techniques required to create beautiful pictures, allowing the reader to overcome the common misconceptions associated with using oil paints. Each of the three stunning projects is broken down into a number of easily achievable steps, so that even those new to the medium of oils can produce beautiful, detailed landscapes of their own. Reflecting David's fascination for the interplay of light within the context of a painting, his imaginative use of colour, and his more recent exploration into the applications of impasto, there are many examples of the author's own work throughout the book to both instruct and inspire.
