*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

ME, MY DOG, AND A SHEEP (HARDBACK)

Dog Ear Publishing, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your mental strength, drive, and attitude are as important, if not more, than your physical effort when you face a challenge. You cannot choose what happens to you, but you can choose how you handle it. In this story, a close family deals with a dilemma with love, the support of caring professionals, and a big-hearted dog who did NOT GIVE UP. This book is dedicated to my son, Luke, who learned how to be selfless, compassionate, helpful, and strong at the age of six--with a can-do attitude and a special love for his dog, Grizzy. Grizzy, a disarmingly good-natured puppy--as large as a house with a spirit to match--is suddenly struck with an immobilizing illness. Luckily, this hefty hound has a best buddy, Luke, a tender-hearted boy who will not let Grizzy give up the fight. Together, with the aid of caring veterinary professionals and Luke s attentive parents, Grizzy digs deep to fi nd the grit to fight the odds and withstand the challenges of recovery. Author Melissa Mullamphy tackles a tough subject--when a beloved pet is diagnosed with a life-threatening disease--with charm, humor, and genuine insight as expressed through the eyes of her sensitive son, Luke. Grizzy, no ordinary dog, and Luke, his compassionate sidekick, are portrayed as kindred spirits in Me, My Dog, and a Sheep. At once poignant, authentic, and energizing, Mullamphy s tale will connect with pet lovers--old and young alike--as powerfully and eternally as the bond between a boy and his dog. About the Author Melissa Mullamphy was born in Westchester County, New York. She earned a master s degree in counseling and psychology from Marist College. For over twenty years, she worked in the reinsurance...
