Will attending his Big Day finally give her the sense of closure she so desperately craves? Or will it only re-open old wounds? Ella is a classic femme fatale. She loves men and leaves them without a backward glance. But the one person who's never fallen for her charms is Toby. Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
