

Women, Art and the New Deal

By Katherine H. Adams and Michael L. Keene

McFarland Publishing. Book Condition: BRAND NEW. BRAND NEW Full-Sized Laminated Softcover - 228pp - 64 photos & illustrations, notes, bibliography, index - In 1935, the United States Congress began employing large numbers of American artists through the Works Progress Administration: fiction writers, photographers, poster artists, dramatists, painters, sculptors, muralists, wood carvers, composers and choreographers, as well as journalists, historians and researchers. Secretary of Commerce and supervisor of the WPA Harry Hopkins hailed it a "renaissance of the arts, if we can call it a rebirth when it has no precedent in our history." Women were eminently involved, creating a wide variety of art and craft, interweaving their own stories with those of other women whose lives might not otherwise have received attention. This book surveys the thousands of women artists who worked for the U.S. government, the historical and social worlds they described and the collaborative depiction of womanhood they created at a pivotal moment in American history. A Brand New Quality Book from a Full-Time Bookshop in business since 1992!
