The University of Chicago Press. Paperback / softback. Book Condition: new. BRAND NEW, A Listener's Guide to Free Improvisation, John Corbett, Improvisation rattles some listeners. Then he takes readers deeper in Advanced Techniques, plumbing the philosophical conundrums at the heart of free improvisation, including topics such as the influence of the audience and the counterintuitive challenge of listening while asleep. Scattered throughout are helpful and accessible lists of essential resources: recordings, books, videos and...
