Magar Invasion is a fast-paced young-adult science fiction novel that follows the exploits of Matthew and Dillon, two teenage boys from North Boston who join their local resistance movement to fight the alien forces that have occupied Earth. With the rebel forces desperately low on weapons, ammunition, and morale, the boys are asked to take on the mission of contacting a resistance sympathizer who has signaled that he has vital intelligence on an alien weapons convoy the rebel forces plan to attack. The fate of the movement will rest on the shoulders of the two young heroes-should they accept this risky mission. Ready and willing to do anything for the cause, Matthew and Dillon set out, trying to alleviate their fear and apprehension by constantly engaging in clever dialogue.
