Skyhorse Publishing, United States, 2014. Paperback. Condition: New. Language: French,German,English . Brand New Book. Captain Heinrich Paasch was the first to recognize the complexity and variety in marine vocabulary and technical terminology and the inherent need for a cohesive classification of nautical terms. Equipped with over thirty-five years of seafaring experience, including as a sailor, captain, and as a Surveyor to Lloyd s Register, Paasch sets out, chapter by chapter, an exhaustive explanation of all the principal parts of a ship s structure and equipment. He describes the main types of steam and sailing vessels; wooden and iron hulls; propulsion machinery; anchors and related equipment; masts and spars; standing and running rigging, as well as sails, tackle, blocks and ropes. He concludes with knots, bends, hitches, and splices and finally provides a listing of standard measurements. Paasch s stated intention to describe a ship literally From Keel to Truck has been widely applauded as has his inclusion of the equivalent terms in French and German alongside the English. Each section is accompanied by dozens of high-quality line engravings to accompany the text and illustrate the terminology and concept described. First published in 1885, and an invaluable resource ever since, Captain Paasch s dictionary is both a full encyclopedia and an unequaled introduction for anyone interested in steam and sailing ships, life aboard a ship, engineering, or simply understanding the language. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports--books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team.
