THE STRANGE LOYALIST: INSPIRED BY TRUE EVENTS (PAPERBACK)

Createspace Independent Publishing Platform, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is inspired by true events and based upon real people, places and events. Out of many, Mike Zander is the one: the only one. He had fame, love, success and admiration; he hated them all. He lost everything he ever had for a sister that was never his; one that slipped through his fingers like one slipped on bloody tiles. Scars of loyalty seared themselves into his soul; scars that force him to remember them when he only wishes to forget; he left them many years ago, but still, they follow him. How long will they continue to pester the present and fiddle with his future? Mike Zander is a loyalist; caring about others more than he does about himself. Having applied and been accepted into the most prestigious educational institute the country has to offer, Mike enters the quixotic world of SOS. SOS - the prestigious School of Scholars or, as Mike quickly learns to rename it, the School of Scoundrels. It is here he learns how easily the outside beauty of people can mask their inner ugliness and infestations, and how the exact opposite can apply. It is here, at SOS, that he learns to determine in whom to put his trust and whom to avoid. It is at SOS that he observes the death of his sister and is arrested as her murderer. Upon his exit from jail, Mike vows to find her murderer, yet who is the woman who bears his sister s exact name? Mike has to find the answer to this question and many more before his revenge is complete. Mike, as said, is a loyalist. What are you? Will you journey with Mike...
