Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The human physical body has not changed much in many thousands years; however, the human Consciousness has expanded enormously over the same period. The human Consciousness has evolved from the cave man, hunter/gatherer stage to the modern civilized human. In recent history (the last 200 years or so), the evolutionary process has accelerated immensely, due in part, to the huge...
