

Shrewdunnit: The Nature Files (Hardback)

By Conor Mark Jameson

Pelagic Publishing, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Conor Mark Jameson has spent most of his life exploring the natural environment and communicating his enthusiasm for it to family, friends and, more recently, readers of a range of newspapers and magazines. He may just have invented a genre. Praise for Silent Spring Revisited A vividly told, beautifully written account of the environmentalist movement of the last fifty years and his own involvement in it . the author takes his place among the pre-eminent nature writers of our times. His clear, vivid writing skillfully weaves political and cultural history, personal observation and passionate advocacy for the conservation of our diminishing wildlife to create...
