He loved to play with her slippers or gloves and he would have a go at anything that moved! He was always getting into mischief but this did not stop him. In these adventures of Snaffles, we meet many of his friends in the neighbourhood. These include the beautiful Miss Moonlight, the pretty little cat who lived across the road, Baxter the HUGE pig, Tick and Tock, the mice that live in the grandfather clock, and many others. Snaffles often gets into all kinds of scrapes but always manages to escape. It seems that cats really do have nine lives!.
