Russell Sage Foundation, United States, 1996. Hardback. Book Condition: New. 235 x 161 mm. Language: English . Brand New Book. As a result, income inequality became a defining feature of economic life and a growing source of unease for many Americans. The New American Reality also reports the good news about America; our lives are longer and healthier, the elderly are better off than ever before, consumer spending power has increased, and minorities and women have many more opportunities. In this way, The NewAmerican Reality challenges those who contend that we are a country in decline. The reality,...
