For some days I have been anxious to ask You a question. These people are Your friends and the friends of God, are they not? The angels blessed them with the peace of Heaven, did they not? They have been faithful against all temptations, have they not? Would You explain to me, then, why they are unhappy? And what about Anne? She was killed because she loved You. Are you therefore deducing that to be loved by Me and to love Me brings bad luck? No. but. But you are. I am sorry to see you so closed to the Light and so open to human things. No, never mind John, and you too, Simon. I prefer him to speak. I never reproach. I only want you to open your souls to Me that I may enlighten them. Come here, Judas, listen. You are basing yourself on an opinion that is common to many people of our times and will be common to many in future. I said: an opinion. I should say: an error. But since you do not do so out of malice, but out of ignorance of the truth, it is not an error, it is only an incorrect opinion like a child s. And you are like children, My poor men. And I am here, as a Master, to make adults of you, capable of telling the truth from the false, good from bad and what is better from what is good. Listen to Me, therefore. What is life?.
