**TURN TO HEAL-DANCING BEYOND: DIARY OF A TRANSINCARNATION (PAPERBACK)**

Balboa Press, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens, when one day, in the life of a rational young woman, who is still adjusting to the physicality of her own body, the spirit of a crazy dancer claiming to be the god of dance bursts in? And what happens when this young woman discovers that she is an open door through which this dancer and other invisible guests can come back to life, finding through her a way to complete unfinished tasks and share their experiences by writing a diary from the afterlife? This is the story of my journey beyond space and time so surreal that it completely reshaped and restructured my body, my attitude, and my understanding of life on Earth. The unexpected presence of Vaslav Nijinsky, the dancer, and two other invisible guests who entered my life, revealed connections and awakenings that brought me beyond limitations based on the concepts of gender, disease, or mortality. I began to understand healing and integration, how to fly by staying grounded, and how to find light in the darkness. Turn to Heal is an engaging adventure as well as a treasure hunt tinged with humour and wisdom. It transports you into the flow of creativity, regeneration and healing, so that you can achieve your own self-realization in the process. It is a journey accessible to all those who seek awareness, presence and integration in a dance beyond life, time and judgment.
