

## Mankind In Quest of the Self

By Sem Topno

2012. Hardcover. Book Condition: New. 283 How the universe originated from void or nothingness during the period of pre-time and pre-space period is yet to be settled by the scientists. "Mankind in Quest of the Self" is based on these issues of human origin and development. There is some confusion on the method and process without referring to the causative factor for prime cause of origin. Origin or strategic origin of life has been discussed in originality in this book. Genetic study has now indicated that all human beings belong to the same human species. Human beings is also said to have originated from clay of the earth by another group of aborigines of the same language family from clay of the earth like chloroplast from the sun's heat. Modern human footprints on the sedimentary rock of Jharkhand, India which is stated to be millions of the year old is most ancient modern human footprints found in Earth so far. Contents:- Contents, Preface, 1. Introduction, 2. The Origin of Universe, The Planet Earth Africa separated from India-, Malagascar block during 150-160 million years ago., Australia and Antartica separated 55 million, years ago. Zillions of universe Universe , Space Odyssey Cycle of creation The...
