Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MURAL ON SECOND AVENUE AND OTHER CITY POEMS (PAPERBACK)**DOWNLOAD**

Candlewick Press,U.S., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Brought to life through Roma Karas's simple, vibrant illustrations, this collection of poetry by Lilian Moore offers a loving tribute to small moments in the big city, and to the children who live there. Lilian Moore had a lifetime of experience as an author of books for young readers -- and a particular expertise for observing and celebrating life from a child's point of view. In this collection, seventeen poems speak to the joys and everyday wonders of city living, including the hush of a snowy morning, the grandeur of skyscrapers and bridges, the phantom faces reflected in store windows, and the transforming effects of a neighborhood mural painted on the blank / unwindowed wall by someone dreaming / to the slap of a / wet brush. Back matter includes an index of first lines.
