

## Banned! (Paperback)

By David G Boggs

Createspace Independent Publishing Platform, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the year 2037, what was once a nation governed and founded by Biblical principles and law, found itself amidst confusion, corruption, self-decay and a direct course of ultimate ruin. A society with no moral compass, no guidance of truth, as the Holy Bible was permanently banned from the United States of America, due to an outcry from special interest, civil rights groups that the Bible was causing all of the nations ills, which was backed up by there own biased and blinded statistics. Unbeknownst to them was the fact that this brazen act against God and the Gospel of Jesus Christ caused the people of the land to believe the lies, thus set their own fates of self-destruction. For the God of the Holy Bible is a God of love, but He will not go against human will. There is only one question to be asked. How long will we be able to survive without the sovereign protection, guidance and provision of God through faith in His Son, Jesus Christ? The clock is ticking.
