Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Being a Concise Epitome of Early Historical Evidence: Attesting the Genuineness and Antiquity of the Four Gospels The inability to obtain an inexpensive and reliable manual containing early historical evidence, attesting the authenticity of our Gospels, specially adapted for plain Christians and the younger people of our Churches, led the writer to undertake the compiling of this little book. In order that the testimonies quoted should be accurate and reliable, many works, both sceptical and Christian, have been consulted, and out of justice to these authors, the following works must be mentioned, Hartwell Horne s Introduction to the Bible, Smith s Dictionary of the Bible, Ante-Nicene Library, Dr. Fleming s Early Christian Witnesses, Eusebius Ecclesiastical History, Second Century Christian Writings, Paley s Evidences, Eadie s Cyclo, and Angus Handbook. The quotations from these Witnesses, and my remarks upon them, are necessarily brief, or otherwise they would have swollen the book to an expensive size, and defeated the very object for which it was compiled. Any reader desiring fuller information, can obtain it by searching the works of various apologists referred to.
