Originally written as a screenplay, The Rosie Project is Graeme Simsion s debut novel. When geneticist Don Tillman decides that dating is a poor way to find a life partner (especially considering he s never had a second date), he decides the approach the issue of finding a mate in a scientific way: a questionnaire dubbed the Wife Project to help him screen potential candidates. When he meets Rosie, a PhD candidate, his world is turned upside down. By the Wife Project standards, she is wholly unsuitable for him. However, Rosie hasn t sought him out as part of the Wife Project; she wants his help to find her biological father. The Rosie Project delves into topics such as Asperger s Syndrome, changing for the people you love, and why being different isn...
