Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My name is Muffin, Muffie for short, and I am a Maltese/Chihuahua mix who has been adopted by a human Mom. I live in a small community where I am relatively respected and nurtured. I decided to write a book that explains a little of how we, that is, four-legged individuals, relate in the human world. The majority of humans in this society really misunderstand us and it is about time that we speak up and be heard. I expect to see people paying more attention to animals once they have read my book, especially parents teaching their children about pets. The following points is how I see my book contributing to the enlightenment of the human owners of pets. -The purpose of our lives in your lives. -The intuitive power of pets. -The wisdom of pets and their silent communication. -The healing power of pets. -How we pets bring joy and well-being to the world. -Pets help energy to flow freely through giving love. I am of the firm belief that Humans need to be enlightened on how to relate to us in the animal kingdom.
