What Price Israel is an indispensable source of facts regarding the central issues in the Middle East. We still have not gotten the message of 911 and the ultimate reason behind it. We must settle the Palestinian problem. Had Dr. Lilienthal's many admonitions relating cause and effect been thoroughly examined and acted upon by the leaders of the world and its people, we would not be fearing, as many do, that the Zionists are leading us down the path to Armageddon. Our remaining options for peace are few; our last wake-up call is now.
