MYSTICAL GREENWOOD (PAPERBACK)

Mockingbird Lane Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dermot is a fifteen-year-old boy living in a remote village in the land of DenU. He has always longed for something more in his life. Now, everything changes after he sees a renowned creature - a gryphon - in the sky, and then crosses paths with a reclusive healer who harbors a secret. Soon, he and his brother have no choice but to leave the only home they've ever known. They travel with new friends across the land through several great forests, along the way meeting an old man, a family of unicorns, and witnessing an important birth. They must evade fire-breathing dragons and dark-armored soldiers hunting them down, all serving an evil sorcerer determined to subjugate the kingdom, and who will stop at nothing to destroy them. DenU's only hope is if a renowned coven returns to face the enemy after years in hiding. Dermot however suspects their own role may be more significant than he thought, as he slowly discovers a power which exists amongst the trees and creatures of every greenwood. Can they save those they hold dear? Will Dermot find what he has sought? Or will all that's free and good be consumed by darkness?.
