Pajama Press, Canada, 2016. Paperback. Condition: New. Language: English . Brand New Book. Evie Brooks is having the time of her life in New York, despite having to start her first day of school with a sty on her eye and a skirt so short it shows off her baby giraffe legs. Nevertheless, Evie makes new friends - maybe even a boyfriend, although how can you tell whether he's a boyfriend or just a boy who happens to be a friend? And life with her Uncle Scott continues to be a whirlwind as he adds the Central Park Zoo to his list of vet clients. Once again the practice is inundated with the city's strangest pets and inmates, including an alpaca named Milly, Eddie the Westipoo, Jax the snail, and a rabbit named Dr. Pepper that goes walkabout in Central Park. Evie is almost too busy to notice that the father she's never met has darkened her door and is anxious to make amends and seek custody of Evie. Well, Evie won't have any part of that. Nobody is going to separate her from Uncle Scott, not even the courts and a lawyer named Marcy, who claims to be representing her interests but won't let her speak. That is not Evie's style, however, and she is determined to find a way to stay with her uncle, with a little help from her friends.
