THE MAID S TALE - ANNE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is Anne. I am the younger daughter of the Earl and Countess of Warwick, and sister to Isobel. My life ought to be one of privilege and comfort, of duty and obedience, as I have been taught to expect. Growing up with my dearest friend, Dickon, youngest brother of our handsome king, life seems straightforward. When King Edward makes a scandalous marriage, my father s counsel is no longer sought, for there are many others clamouring for the king s attention. Disillusioned by the meteoric rise of the queen s kin, my father seeks other routes to satisfy his need for power. As his actions grow more outlandish and dangerous, my only true friend in the world is lost to me. In a dangerous political game, my father sets himself against both king and queen, risking everything to keep hold of power and a place beside the throne of England he cannot bear to relinquish. As a dutiful daughter, I try to obey and be all that is expected of me, but there is a streak of wilfulness in my character that will not be expunged. This flaw causes me grief, but never more so than when I must be married to secure my father s most desperate scheme. Tossed upon the tumultuous sea of fifteenth century politics, where loyalties change like spring weather, I am little more than a pawn in a greater game, one being played between those I love.
