Here is an expose of what you will learn from this book Discover the steps to take at every stage of healing from the Infidelity of a partner Build back your self esteem while getting ready to move on Make the right decision and choices which you wouldn t regret in future manage you emotional reactions Managing and dealing with the action of your partner during this period Overcoming the traumatic effect of the affair in your marriage Buy this book now Having gone through infidelity, I stand to say authoritatively that the pains of discovering the affair of a partner and the process of walking through it and getting out in one piece is one of the worst moments in life. A lot of people go through these pains but have no one to talk to or guide them through it. Some cultures, religion and some part of the society have made it so that traumas like the effect of discovering an affair is swept under the carpet leaving the victim alone in his/her world which in most cases ends up changing who they are and turning them into something else. The information contained in this book is meant to be your companion and guide your actions and thoughts from the moment you discovered your partner s affair through to the process...
