

## The House That God Built (Paperback)

By MR John Norman Mallabar

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is God speaking for Himself, about Himself and about you, without any of man's opinions or interpretations. Here you will see God's opinion of man's stewardship of His world, His almost incredible promises for every facet of life and well-being and the consequences of just not caring what He says; even on His church for its failure to get His message across to the nations. For the Christian who has got off-track and knows it. For Christians who think they are on-track and want to stay on it. For anyone else to find out what Christianity is really all about and how it affects everyone. For you, whether you want to skate about on the surface of God's intentions or to push through and plumb the depths of who God is, your relationship with Him, and to immerse yourself in Him.
