McFarland Co Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Though it lasted just two seasons, Twin Peaks (1990-1991) raised the bar for television and is now considered one of the great dramas in TV history. Its complex plots and sensational visuals both inspired and alienated audiences. After 25 years, the cult classic is being rebooted. This collection of new essays explores its filmic influences, its genre-bending innovations and its use of horror and science fiction conventions, from the original series through the earlier film prequel Twin Peaks: Fire Walk with Me and subsequent video releases.
