

## Curious Homes and Their Tenants (Classic Reprint) (Paperback)

By James Carter Beard

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Curious Homes and Their Tenants A novel feature in the present volume is the number of engravings it contains which are unnoticed in the letterpress. The purpose of their introduction is not alone to render the book more attractive, but, if possible, to extend its use beyond its text. The intention is that these additional drawings, the subject of each of which has been carefully selected on account of some special feature of interest it possesses, shall be instrumental in introducing the pupil into new and delightful fields of research. It is suggested, as an exercise of considerable value and utility, that the young student shall be required to embody the results of his investigations in written or oral accounts of the subjects illustrated, giving in every case special attention to details rather than generalizations, and to the habits and manner of life of the creature described rather than the place it occupies in the more or less artificial systems of naturalists.
