Epilogue: Aeromedical Flight Tales: Stories of Hoping, Coping, Inspiration, and Redemption, with Just a Touch of Humor (Paperback)

By Dvm Md Gaver

Dorrance Publishing Co., 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A medical helicopter is not an uncommon sight for most of us. We see and hear them overhead often enough that we no longer glance up at them. We see them sitting off to the side at large events, their crews seemingly always vigilant despite the lack of activity. We see them in action on the evening news, taking off from or landing near the scene of an accident. Occasionally, we see one in action up close, hopefully as a spectator rather than someone in need of medical attention. We see these machines and the people who operate them, but we almost never get to hear their stories - until now. After 20 years and over 5,000 flights, flight physician Jeffrey W. Gaver, DVM, MD, FACEP has experienced the highs and the lows of the job more times than he can count. He has saved many lives and also watched as they've faded away despite the efforts of him and his team. Fly with him as he revisits the best and the worst days of his career as an elite flight...

Reviews

The most effective ebook i at any time study. It can be writter in easy words and phrases and not difficult to understand. I am just pleased to let you know that this is the finest publication i have read within my individual lifestyle and could be he finest publication for at any time.
