Createspace, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is no lack of written material on the subject of healing, from diets to the metaphysical, from spiritual to surgery. Healing from God Is Available examines what the Bible has to say about this very critical topic. This is not a complicated theological work, but a straightforward presentation of truth, intended to let the Scriptures speak, thus showing what God has to say about healing. God has been healing people since back in Genesis, and He continues unto this present day. It is available to receive healing from God. Healing from God Is Available shows the obstacles in receiving healing as well as keys for receiving. It answers many pertinent questions, including Where does sickness come from?, Is God testing you?, What does forgiveness have to do with healing?, How is healing related to the Last Supper ?, and Is healing freely given from God? What others have said about this book It is a wonderful presentation on God s Word that just sets forth what God in His Word has to say about healing. This is the best piece of work on healing that I have seen in over 40 years of being in the ministry. I think this will be a big blessing to God s people. It will be a great addition...
